

Thank you for considering a contribution to the JM Pintkowski Fund Poker Challenge. For our 3rd Annual Poker Challenge we are honored to be partnering with another non-profit organization whose sole purpose is to raise awareness of pancreatic cancer, Road 2 A Cure. Because The JMP Fund was set up for the sole purpose of raising research funds for fighting pancreatic cancer this partnership is a perfect match of fundraising ability and awareness building efforts. Both non-profits are in their infancy stages but have already made huge advances towards the battle to raise awareness and funding for pancreatic cancer research. But we need YOU to help us do more!

This is why we are hosting the 3rd Annual JMP Fund Poker tournament on Friday, November 5th!

Pancreatic cancer is the fourth leading cause of cancer related death and yet receives less than 2% of the National Cancer Institute's total budget.

Making a difference is easy!

Simply fill out the attached *Sponsor Information Form* with your contribution and we'll do the rest! We realize there are a lot of worthy causes that need support but we truly believe that every dollar and gift you put towards pancreatic cancer research and awareness can make a HUGE difference to such an under funded cause.

Please contact us today and join us on **November 5th for our Poker Challenge** to raise money for pancreatic cancer research.

Items to consider donating:

- Gift cards
- Autographed memorabilia
- Cash donations will be used to purchase items for the silent auction or may go directly to the cause
- Gift baskets
- Electronic items, iPods, TV's etc...

Again, any donation is GREATLY appreciated and all proceeds will go directly to Pancreatic Cancer Research.

Thank you for your consideration,
